

The Conqueror Campaign

Introducing The Conqueror Campaign, our school's annual fall fundraiser! Named after our mascot, the Conqueror, this campaign reflects our school's mission to "equip students to impact the world for Christ." Just as a conqueror overcomes obstacles, our goal is to prepare students to face the world's challenges head-on. This campaign is our opportunity to provide students with the tools they need to succeed. Your donations directly fund crucial upgrades across our campus, including new technology for classrooms and improvements to our facilities. These resources enrich the minds and hearts of our students. We believe that by nurturing the heart, challenging the mind, and equipping our students, we are conquering the future one student at a time!

CONQUERING THE FUTURE

This year we are on a mission to conquer the future! The funds we raise will be used to purchase new **computer carts equipped with laptops** for our elementary, middle, and high school students. These mobile labs will give every classroom access to modern technology, ensuring our students are prepared to conquer the future.

PIZZA & ICE CREAM PARTY!

As an extra challenge, any class that raises \$1,000 will earn a special celebration! We are rewarding every qualifying class with a pizza and ice cream party to thank them for their incredible effort and teamwork in supporting our school. Let's see which classes can conquer this goal!
